## Pen of Inspiration

The relation that exists between the mind and the body is very intimate. When one is affected, the other sympathizes. The condition of the mind affects the health to a far greater degree than many realize. Many of the diseases from which men suffer are the result of mental depression. Grief, anxiety, discontent, remorse, guilt, distrust, all tend to break down the life forces and to invite decay and death.

Disease is sometimes produced, and is often greatly aggravated, by the imagination. Many are lifelong invalids who might be well if they only thought so. Many imagine that every slight exposure will cause illness, and the evil effect is produced because it is expected. Many die from disease the cause of which is wholly imaginary. Courage, hope, faith, sympathy, love, promote health and prolong life. A contented mind, a cheerful spirit, is health to the body and strength to the soul. "A merry [rejoicing] heart doeth good like a medicine." Proverbs 17:22

It is not God's purpose that any human being should yield his mind and will to the control of another, becoming a passive instrument in his hands. No one is to merge his individuality in that of another. He is not to look to any human being as the source of healing. His dependence must be in God. -- *Ministry of Healing.*

# MANCHESTER SOUTH

## 5th May 2018

# Health Emphasis Day!!

Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much. James 5:16

## Reverence My Sanctuary

If when people come into the house of worship, they have genuine reverence for the Lord and bear in mind that they are in His presence, there will be a sweet eloquence in silence. The whispering and laughing and talking which might be without sin in a common business place should find no sanction in the house where God is worshiped. *When the benediction is pronounced, all should still be quiet, as if fearful of losing the peace of Christ. Let all pass out without jostling or loud talking, feeling that they are in the presence of God, and that they must act as in His visible presence.*

**SANCTUARY CLOSURE:** As an act of reverence and security, the Sanctuary will be closed 15 minutes after the Divine Service benediction each week. This will be enforced by the Elders and the Deaconette, and members are asked to cooperate to ensure that this is achieved each week. Thank You.
