Pen of Inspiration

The name, Seventh-day Adventist, carries the true features of our faith in front, and will convict the inquiring mind.

Like an arrow from the Lord's quiver, it will wound the transgressors of God's law, and will lead to repentance toward God, and faith in our Lord Jesus Christ
- SG.Vol4 {55.2}

I was shown God's people waiting for some change to take place--a compelling power to take hold of them. But they will be disappointed. They are wrong. They must act. They must take hold of the work themselves, and earnestly cry unto God for a true knowledge of themselves.

The scenes which are passing before us are of sufficient magnitude to cause us to arouse. In view of these things we must urge the truth home to the hearts of all whe earth is nearly ripe
- SG.Vol4 {59.1}

SEVENTH-DAY
ADVENTIST CHURCH

MANCHESTER SOUTH

4th August 2018

REVERENCE MY SANCTUARY

True reverence for God is inspired by a sense of His infinite greatness and a realisation of His presence. With this sense of the Unseen, every heart should be deeply impressed. The hour and place of prayer are sacred, because God is there. And as reverence is manifested in attitude and demeanour, the feeling that inspires it will be deepened.

"Prophets and Kings" pg 48, 49

As an act of reverence and security, the Sanctuary will be closed 15 minutes after the Divine Service benediction each week. This will be enforced by the Elders and the Deaconette. Members are asked to cooperate to ensure that this is achieved each week.

Thank You
