*Extending The healing Power of
God's Kingdom: Christ*

PEN OF INSPIRATION

The angels of God are ever passing from earth to heaven, and from heaven to earth. The miracles of Christ for the afflicted and suffering were wrought by the power of God through the ministration of the angels. And it is through Christ, by the ministration of His heavenly messengers, that every blessing comes from God to us. In taking upon Himself humanity, our Saviour unites His interests with those of the fallen sons and daughters of Adam, while through His divinity He grasps the throne of God. And thus Christ is the medium of communication of men with God, and of God with men. *DA 143.1*
