## Extending *The healing Power of God's Kingdom:* *Christ*

### PEN OF INSPIRATION

Love is a precious gift, which we receive from Jesus. Pure and holy affection is not a feeling, but a principle. Those who are actuated by true love, are neither unreasonable nor blind.

The divine love emanating from Christ never destroys human love, but includes it.

By it human love is refined and purified, elevated and ennobled. Human love can never bear its precious fruit until it is united with the divine nature and trained to grow heavenward.

True love is not a strong, fiery, impetuous passion. On the contrary, it is calm and deep in its nature. It looks beyond mere externals, and is attracted by qualities alone.

It is wise and discriminating, and its devotion is real and abiding. Hearts that are filled with the love of Christ can never get very far apart. Religion is love, and a Christian home is one where love reigns and finds expression in words and acts of thoughtful kindness and gentle courtesy joy.
