*Extending The healing Power of
God's Kingdom: Christ*

PENS OF INSPIRATION

OUR RELATION TO MISTAKES

Do all in your power to gain perfection; but do not think that because you make mistakes you are excluded from God's service. The Lord knows our frame; He remembers that we are dust. As you use faithfully the talents God has given you, you will gain knowledge that will make you dissatisfied with self. You will see the need of sifting away harmful habits, lest by a wrong example you injure others. Work diligently, giving to others the truth so precious to you. Then when there are vacancies to be filled, you will hear the words, "Come up 226 higher." You may be reluctant to respond; but move forward in faith, bringing into God's work a fresh, honest zeal. The secret of winning souls can be learned only from the great Teacher. As the dew and the still showers fall gently on the withering plant, so our words are to fall gently and lovingly on the souls we are seeking to win. We are not to wait till opportunities come to us; we are to seek for them, keeping the heart uplifted in prayer that God may help us to speak the right word at the right time. When an opportunity presents itself, let no excuse lead you to neglect it; for its improvement may mean the salvation of a soul from death

THE HIGHEST WORK

The work above all work,—the business above all others which should draw and engage the energies of the soul,—is the work of saving souls for whom Christ has died. Make this the main, the important work of your life. Make it your special life work. Co-operate with Christ in this grand and noble work, and become home and foreign missionaries. Be ready and efficient to work at home or in far-off climes for the saving of souls. Work the works of God and demonstrate your faith in your Saviour by toiling for others. O that young and old were thoroughly converted to God, and would take up the duty that lies next them, and work as they have opportunity, becoming laborers together with God!
