Extending The healing Power of Christ God's Kingdom:

PENS OF INSPIRATION

Meeting Obstacles: But we must meet all obstacles placed in our way, and overcome them one at a time. If we overcome the first difficulty, we shall be stronger to meet the next, and at every effort will become better able to make advancement. By looking to Jesus, we may be overcomers. It is by fastening our eyes on the difficulties and shrinking from earnest battle for the right, that we become weak and faithless. By taking one step after another, the highest ascent may be climbed, and the summit of the mount may be reached at last. Do not become overwhelmed with the great amount of work you must do in your lifetime, for you are not required to do it all at once. Let every power of your being go to each day's work, improve each precious opportunity, appreciate the helps that God gives you, and make advancement up the ladder of progress step by step. Remember that you are to live but one day at a time, that God has given you one day, and heavenly records will show how you have valued its privileges and opportunities. May you so improve every day given you of God, that at last you may hear the Master say, "Well done, thou good and faithful servant."—
