PENS OF INSPIRATION

Keep Silence Before Him

The house is the sanctuary for the family, and the closet or the grove the most retired place for individual worship; but the church is the sanctuary for the congregation. In the name of Jesus we may come before Him with confidence, but we must not approach Him with the boldness of presumption, as though He were on a level with ourselves. There are those who address the great and all-powerful and holy God, who dwelleth in light unapproachable, as they would address an equal, or even an inferior.

There are those who conduct themselves in His house as they would not presume to do in the audience-chamber of an earthly ruler. These should remember that they are in His sight whom seraphim adore. Those who assemble to worship Him should put away every evil thing. Unless they worship Him in spirit and truth and in the beauty of holiness, their coming together will be of no avail.

It is your privilege, dear young friends, to glorify God upon the earth. In order to do this, you must direct your minds away from thing

Lesson 06: Worship the Creator

Memory Text:

“Is this not the fast that I have chosen:

To loose the bonds of wickedness,

To undo the heavy burdens,

To let the oppressed go free,

And that you break every yoke?

Is it not to share your bread with the hungry,

And that you bring to your house the poor who are cast out;

When you see the naked, that you cover him,

And not hide yourself from your own flesh?”
